I. Board Directive

Jordan District schools are to provide a safe, wholesome, healthy educational environment where academic learning, personal development, and a sense of pride and accomplishment can flourish. Part of the educational process is learning self discipline and appropriate behavior. Therefore, it is the philosophy of the Jordan School District Board of Education to enforce all Utah laws related to conduct on school premises and school buses and to see that students are taught to preserve public property including all school facilities and equipment.

The Board also recognizes that dress and grooming seriously affect the behavior of students attending school and may also impact sanitation and safety conditions. Because experience has demonstrated that the learning atmosphere is improved when students both look and act appropriately, the Board hereby authorizes establishment of standards of student conduct, dress, and grooming. The Board delegates to the Administration responsibility to see that each school adheres to the conduct, dress, and grooming standards established in the provisions of this policy in a consistent manner. Further, all District and school staff members shall have a share of responsibility in seeing that these standards are implemented and enforced in classrooms, in school buildings, on school grounds, on school buses, at school activities, and other occasions as appropriate. This policy represents minimum guidelines. Schools can develop additional dress code requirements with input from Student Government, School Community Council, and PTA groups.

II. Administrative Policy

The Administration shall implement Board philosophy according to the following administrative policy provisions:

A. Student Conduct

1. Classroom Behavior

Students shall conduct themselves in a manner that contributes to a productive learning atmosphere for themselves and their classmates. Students are expected to be attentive, cooperative, and industrious while in the classroom. 2. Behavior at Assemblies and Activities

Assemblies and activities shall be considered special student privileges where participation is contingent upon appropriate behavior. Students shall show respect to all performers. Students who disturb, disrupt, or show disrespect shall lose the privilege of attending and may be subjected to disciplinary action as outlined in [Policy AS67—Discipline of Students \[http://policy.jordandistrict.org/as067/\]](http://policy.jordandistrict.org/as067/) .

At least once per year, students shall be instructed that participation in the Pledge is voluntary and not compulsory, and students should show respect for any student who chooses not to participate. A student may be excused from reciting the Pledge upon written request from the student's parent or legal guardian. Discourteous treatment of the flag or other national symbols shall be cause for disciplinary action.

6. Use of Alcohol, Tobacco, Narcotics, and Drugs

Student use or possession of alcohol, tobacco, narcotics, and drugs is prohibited by law. Students who break the law shall be disciplined according to policy set forth in

Cellular telephone use during classroom time, instructional activities and field trips must be authorized by the instructor.
