Excused: Cami Smith

Visitors: Darrell Robinson, JSD School Board, Eric Price, parent

March 1, 2018

Agenda:

1. Approved minutes from February 8, 2018
2. Finished planning 2018-19 Land Trust Budget
  - a. The council discussed using funds to increase classroom aides. The topic of using the funds for personnel was voiced. One proposal was to spend \$14,000 on iPads. Another proposal was to spend \$14,000 on 2 additional aides (9 total). The final proposal was to spend \$7,000 on one additional aide (8 total). After a council vote, the third proposal was chosen.
  - b. The plan includes funds for teacher professional development, purchase of 22 iPads for grades 1-2, 10 computers for teacher use to replace older computers, 10 apple TV sets to replace older versions, 2 document cameras, funds to provide coverage of our computer lab in the mornings for Khan Academy, and 8 aides (literacy, classroom and enrichment). This brings our budget to \$88,738 for the 2018-19 school year.
  - c. Goals for the plan include the following:

Goal 1: Increase the number of students who are reading on or above level on DIBELS and guided reading by at least 5%.

Goal 2: Increase student proficiency in math by ensuring all students make 35% growth on the final math test given in grades K-6.

3. The council voted on 2018-19 Land Trust plan. 14 for and 0 against this proposal
